### WELCOME

If you are part of a spa package, golf package or if you have booked a **dinner, bed and breakfast rate**, you have a £32 allowance issued for you to enjoy your dining experience. This allowance does not include **bed and breakfast rates** and beverages; however, it can be used for dining anywhere in the hotel, including room service (excluding the £5 tray charge). We **do not** offer room service breakfast.

If you would like to charge extras to your room during your stay, an account will need to be set up at reception using a credit card.

**Checkout** is 11:00. Late checkout is available (upon request) and subject to availability for a charge of **£25** per hour until 13:00 latest. Please speak to the hotel reception team to arrange this.

**Wi-Fi** is available throughout the hotel, free of charge.

**Accessibility** – Please make the reception team aware should you require assistance in case of an emergency.

**Have you forgotten something?** We hold a small selection of items at the hotel reception such as dental kits, sewing kits and shower caps.
