## YOUR VERY SPECIAL DAY

This picture postcard perfect country mansion, with manicured grounds, elegant rooms and spectacular views, is made for unforgettable weddings.

Oulton Hall is a grand and impressive venue, yet refreshingly down to earth, combining history and heritage with modern facilities and friendly hospitality.

Located in the heart of the Yorkshire countryside, Oulton Hall is within easy reach of York and Leeds and just ten minutes from the M62 and M1. It's the ideal spot to share your special day with family and friends, whether your wedding is for 20 or 220.

An aerial photograph of Oulton Hall, a large, light-colored stone mansion with multiple chimneys, situated in the center of the frame. The mansion is surrounded by a well-manicured golf course with several sand traps and green fairways. The surrounding landscape is filled with trees in various shades of autumn, including browns, oranges, and yellows. In the background, rolling hills and a distant town are visible under a soft, hazy sky. The overall scene is peaceful and scenic, highlighting the estate's location in the Yorkshire countryside.

## YOU'VE SAID YES... WHAT HAPPENS NEXT?

The question has been popped and now the planning can begin. Our team are here to help your dream wedding become a reality. Use our handy guide to planning your special day, stress free...

- Set your budget** – Talk to each other and decide how much you can, and want to spend. The earlier you do this the easier it will be to plan all the other details. Why not do it over a nice dinner?
- Get inspired** – Pinterest, Instagram, bridal magazines all help you get ideas for a look and theme you might follow.
- Start your guest list** – A rough idea of how many to invite so you can decide on venue/wedding room size.
- Think about dates** – An idea of the time of year you'd like to get married will help when looking at venues.
- Choose a venue** – Book a wedding appointment at Oulton Hall and let us show you why we're the perfect venue for your magical day.
- Send save the dates** – Ensure your friends and family have your special day in their diary as soon as possible!
- Suppliers** – Flowers, lighting, DJs, the list goes on. We have worked with trusted suppliers for years and can recommend companies to help you every step of the way.
- The dress or wedding outfit** – Give yourself plenty of time to choose the dress. You need a good few months from buying to fitting!
- Gift registry** – Make sure you have a variety of price ranges for your guests to choose from. Got everything you need? Lots of gift sites allow guests to make contributions towards your honeymoon.
- Website** – Creating a simple personalised wedding website is the best (and most sustainable!) way to keep your guests up to date with all your vital wedding information.
- Booking your honeymoon** – Are you jetting straight off after the cake has been cut or waiting a few months to take your honeymoon? Some exotic destinations are in their off season during British summertime so it's becoming popular to enjoy a 'minimoon' for a few days before a more extravagant trip further down the line.
- The parties!** – Engagement party, hen and stag party – plan your guest lists, dates and venues and let the party commence. Explore our full collection of hotels across Great Britain [theqhotelscollection.co.uk](http://theqhotelscollection.co.uk)
- Send your invitations** – Invites should be sent out at least eight weeks prior to your wedding day with the RSVP within four weeks of the date.
- Final details** – We'll work with you to ensure all the little details are taken care of so you can relax in the run up to your big day.
- The big day itself** – Your day has arrived and our team is ready to bring your dream wedding to life, so take the time to enjoy each and every minute! Things can get hectic so make sure you carve out a few special moments for you and your partner.

## FAQS

### How do we choose the perfect package for us?

We have a range of packages and budgets, with the opportunity to create something bespoke that will suit you. Your wedding is unique so we will work with you to create the day of your dreams.

### We've set our date, when do we need to pay?

There is a deposit required at the time of booking, and again at six months, three months and four weeks before your wedding day.

### How often will I meet my Wedding Planner?

We will get started with a "first details" meeting in the hotel three months before your wedding day. Once you've had your menu tasting (if included), we will arrange your "final details" meeting in the hotel one month before your wedding. This will be to finalise your numbers and ensure everything is in place for your big day. Before your wedding, we'll introduce you to your Wedding Manager who will be running your special day. However, your dedicated Wedding Planner will always be on hand to answer any questions at any stage of your planning.

### Can the hotel hold more than one wedding per day?

Your day should be all about you, so we make sure weddings will be completely separate, with a two hour time difference between the arrival times of each party. Oulton Hall can hold two weddings in one day, however the Diamond Wedding Package allows exclusive use and yours will be the only wedding.

### Can we use our own suppliers? Yes, of course.

We recommend trusted suppliers that we've worked with previously, from florists to DJs. But we're happy for you to source your own.
